

NOTICE TO

Families of Eaglecrest and Shilo Park Neighborhoods

Dear White River families:

As of the 2014-15 school year, the White River School District will be making an elementary school attendance area adjustment. This will mean that the Eaglecrest and Shilo Mobile Home Park areas will become part of the Foothills Elementary catchment instead of that of the Mountain Meadow area. This change is a reflection of population growth in the Mountain Meadow attendance area.

Beginning in September of 2014, new students coming into the district who live in these areas will be enrolled at Foothills Elementary. However, those of you who have children currently attending Mountain Meadow will be permitted to stay at that school for the duration of their elementary school years. This will also apply to current preschoolers who have older siblings at Mountain Meadow. We will continue to provide bus transportation to both schools.

If you would like to move your child to Foothills next year, please let the Mountain Meadow office staff know, and they will arrange to put the transfer into place. If you have questions about this change, please call 360 829-3814.

Sincerely,

Janel Keating

Superintendent
